

October 9, Sunday, 8:30 a.m.: RUN TO WHITEWATER 2016 ! This point-to-point self-supported (adventure) run goes 18 miles from the Little Park/Bangs Canyon Parking lot (up Little Park Road) along the Tabeguache Trail to where the trail crosses Highway 141 just west of Whitewater. Pizza was delivered and everyone finished and all appeared to have a good time. Only a couple crash and burn events resulting in blood on the trail this year. Tom Ela, Chuck Bodie, Kristi Siman, and Scott Vig were mountain biking in the area and converged on the finish area to help shuttle runners back to the start area to get their vehicles. A big thank you to those folks !!

Also a big thank you to Cliff Moore who was out at 3.25 miles from the finish with water and candy bars as our official/unofficial aid station. Conrad
