

May 27 WATER-TOWER 5-MILE (desert) RUN

At “the usual (and suspected) location”, 1.5 miles north of H Road on 27 ¼ Road. 26 runners and some dogs enjoyed this version of “Desert running at its finest.”

Race Director, Dr. P. W. noted: “Editor: you were there; you saw what a nice scene it was – no prevailing wind, no bugs and it seemed everyone was having a good time. A handful even ran it twice!

Something new – a “Bandit Venner” (dog) came in 18th. Remind us to bring dog biscuits next time.

Also, Dru Johnson with BLM was there – and happy. I think we will be able to work something out like a \$100 (annual?) fee for all the runs – which would mean a blanket review and allow us to have a donation box (\$1.00) – meaning no hassle. Progress.”
