

June 30, Sunday was the TURKEY FLATS LOOP 9.6 MILE (15k) – trail run, in the forest up above Glade Park. It was a great fine turn-out for a great fine race at Turkey Flats. There was plenty of mud to make the course challenging but that didn't seem to slow the speedsters down. Men's winner Ryan Sullivan turned in the third fastest time ever and Kevin Donoher followed in with the fifth fastest time ever. Women's winner Lexi Russell turned in the second fastest ever women's time. Impressive! Thanks all for coming out and enjoying the wildflowers with us!
